1. The dates for the **vertical alignment meetings** this summer are:
 - Social studies – June 4 & 5
 - Science – June 5 & 6
 - ELA – June 7 & 8
 - Math – June 18 & 19
2. The **TxBESS mentor program** will be held June 11, 12, and 13. Ten teachers from Salado ISD have agreed to participate in the program. We have room for 12 teachers to participate, so we will try to recruit one more teacher from TAE and one more teacher from SHS to complete the training.
3. **New employee orientation** is scheduled for August 20 in the SIS library. Members of the curriculum council will meet with the new employees as a group at 10:30 a.m. We will explain the function of the council, describe the vertical and horizontal documents, and inform new employees how to access the documents through the Salado ISD website. Vertical team leaders will meet individually with new employees who will be members of their vertical teams, then join the entire group for lunch afterwards.
4. The **Curriculum Show & Tell** will be held August 23. Eighteen vendors who market educational products or services are expected to attend. Teachers will have the opportunity throughout the day to visit each vendor's booth and to attend break-out sessions with the vendors.

This concludes the final meeting of the curriculum council for the 2006-2007 school year. A list of meeting dates for the 2007-2008 school year will be distributed to curriculum council members in August.
