

SHAC Meeting Minutes November 22, 2010

Members present: Emily Morris, Ty Brown, Donna Driggers, Lisa Nix, Andrea Durbin, Audrey Walter, Jessica Beyer, Brenda Hodges, Donny Sequin

Old Business:

The new Sex Abuse policy was read aloud by EMorris. No revisions made. It was decided to post the policy up on the website under the Health tab. Will add a paragraph directed at parents in the event that they suspect sexual abuse.

EMorris passed around a sample menu that has all the calorie and nutritional content for each days meals. Brenda is able to print these out for parents if needed. Brenda reinforced that each food served fits the state guidelines. She puts in the nutritional information in a computer program that tells her what is acceptable or not. More education for the students on healthy eating habits and portion control is needed.

New Business:

It was brought up by another district that they were having problems with energy drinks. Will email the lunch monitors to see if they are seeing much of this. Right now we don't see this as a problem. Will develop policy if a problem arises.

Next meeting date:

January 24th, 2011!

Thank you!!
