

2023 - 2024
After School Care Program Parent/Student Compact

Expectations for behavior and injury will be implemented for all students that participate in the program.

Please take time to discuss this following with your child prior to starting the ASCP.

- For full day ISS, the suspension continues through after school care
- Tier 1 behaviors result in 15 minutes for the first offense and will continue for 15 minute increments for every Tier 1 offense after the initial occurrence
- Tier 2 behaviors result in 30 minutes for first offense and will continue with 30 minute increments for every Tier 2 offense after the initial occurrence
- Tier 3 behaviors result in automatic call home to be released for the day and will remain in the office until picked up
- Any significant injury will be noted and must be shared with the parent as well as require a parent's initials for the incident

Repeat behavior offenses could result in suspension/dismissal from the After School Care Program.
